PROJECTS

Storyboard Artist/2D Animator

Closing Time Short Film, Jul 2021 - May 2022

- Collaborated with a team of 10 peers to produce a horror-comedy short film for our senior thesis.
- Developed the storyline in conjunction with the directors and story team.
- Designed storyboards and contributed hand-drawn animation to key points in the film.

Director

An Almost Perfect Vacuum Short Film, Aug 2020 - Jan 2021

- Directed and animated a 2D hand-drawn digital short film.
 - Official selection at Anim!Arte - International Student Animation Festival of Brazil, Horror Lust Film Festival, Maine Student Film Festival, NAFCo Winter Film Festival, Rising Sun International Film Festival, and VAFI & RAFI - International Children and Youth Animation Film Festival.
-

EXPERIENCE

Animator/Video Editor

Sudoswap, Freelance, Feb 2023 - Current

- Developed promotional video for a tech startup that runs a digital marketplace. Utilizing motion graphics, kinetic typography, video editing, and 2D character animation to produce an entertaining, succinct, and informative 30-second advertisement for use on social media.

Storyboard Artist

Turn Biotechnologies, Freelance, Aug - Sep 2022

- Designed storyboards for an mRNA biotechnology company promotional video.
- Worked efficiently with the company COO and a PR representative to create a sequence that is both scientifically accurate and narratively compelling to general audiences.

2D Animator/Inbetweener

A Fleeting Moment Short Film, Oct 2020 - May 2021

- Contributed hand-drawn digital animation and inbetweens for senior thesis project.
-
